Subject: Unanswered Questions from Budget Public Hearings

Commissioner Derenda,

At yesterday's public hearing on the FY18 budget, council members had several requests for information that they would like to discuss at next week's budget workshops.

The requests include:

- A log of all traffic checkpoints from last year, with locations, dates, and times.
- What criteria was used for establishing check points.
- A summary of strike force overtime pay.
- What is BPD's policy regarding stop-and-frisk? Provide a record of arrests initiated by use of stop-and-frisk.

Respectfully,

**DERENDA**
